Textile accesories  
(Hats,Bags,Caps ,scarves,gloves etc)

**COST  
And TIME  
MANAGEMENT**

**STRONG  
SUPLIER  
CHAIN**

**QUALITY  
CONTROL**

**There are 3 simple ways to try our service :**

1) Send a few sketches for sampling with basic info and we will come back to you with samples and quotations fast. Then you will have a first impression regarding our sources and quality.

2) We support our customers in design, product developments, fabric developments, new techniques in print, fabrics, embroideries.

3) Come and visit us and we can make a short tour to the suppliers with you who we think would fit your requirements.

AG provides you with all the advantages of an in-house buying office at a small fraction the cost. Our experienced staff will give you guidance and assistance you need to accomplish your buying goals from start to finish.

Our services include :

- Sourcing
- Product development
- Organization of buying trips locally
- Follow-up all sampling and submission processes
- Cross-costing with our factories to achieve the best price
- Inline & final inspections
- Correct shipment procedures

Our office is located in Istanbul where various factories are located.

We select suppliers strictly based on the individual needs of the client. And our factories all have Sedex or BSCI or both in some. They all have also Oeko-tex certificate, class 1. We also do sustainable garments productions and all our production partners have RCS, OCS,GRS,GOTS certifications.

Our production sites also have Fama (Disney),Universal and Hasbro license production audits.
