Wide Product Range

# About Us

Stone Index has been established in 2004. for the purpose of export marble, travertine, quartz and handicrafts basicly made of marble and travertine across the globe. We are proudly associated in the preservation of rich Turkish handicrafts.

Our experience in the industry has given us the knowledge about the customer needs. We always strive to provide our customers superior quality products and world class customer service. Our range of exquisite products is value for money and best in the world.

Stone Index represents highly quality material, excellent service and on time delivery. Our services include inspection of all materials (mosaics, borders, profiles, tiles, slabs and blocks).
